Index	Development and Planning	Section	Licences and Permits			
Title	Amusement Centers (Permits)		Policy Number	02-07-01	Authority	Council
Approval Date	23 Apr 82	Effective Date	23 Apr 82	Revision Date		

PURPOSE

To state the guidelines governing the granting of permits for Amusement Centers.

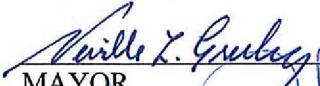

POLICY STATEMENT

1. Building to meet all requirements of the Building Regulations and Land Use Zoning and Subdivision Regulations.
2. Buildings to be used must be detached or, if adjacent to other buildings, a fire separation wall must be installed.
3. A building lay-out plan must be submitted and approved by the City prior to granting of an occupancy permit. The plan to show the number and location of all machines.
4. The operation to be located on ground or near ground floor level and not in basements or second floor levels.
5. If, in the opinion of Council, the development is incompatible to the surrounding businesses or detracts from the district, the application could be refused.
6. Permits to be granted for a one year period. If complaints are received and found to be justified, or the operation is not being conducted in accordance with the requirements of the permit, Council reserves the right to revoke the permit.
7. If, in the opinion of Council, granting of this permit will create vehicular or pedestrian traffic problems, the permit could be denied.
8. Each application to be considered on its own merit.
9. Applicants to be required to advertise the proposed establishment of such an operation by way of public notice.
