Title	Tree Planting	Policy Number	09-05-02	Authority	Council
Approval Date	17 Jan 01	Effective Date	17 Jan 01	Revision Date	

Purpose:

To state the goals of continuous tree planting.

Policy Statement:

1. The Leisure Services Division and/or agents will plant, or cause to plant, on public property only trees that have a high potential for successful growth and performance. A diversity of species will be planted that will ensure a greater stability of our urban forest.
2. The Leisure Services Division will monitor the make-up and health of existing City protected trees, assessing their longevity.
3. The Leisure Services Division will develop and maintain a recommended species/variety list of trees to be planted on public property, parks and open spaces.
4. When planting trees on public property, the Leisure Services Division will adhere to the following:
 - a. attempt to increase diversity
 - b. increase the use of desirable trees
 - c. minimize canopy loss over public lands
 - d. match trees species/varieties with site and environmental conditions.
5. The planting/location of any new trees on road rights-of-way to be coordinated with the Water & Sewer Division to ensure there is no impediment to underground services.
