

CITY OF CORNER BROOK

Index	Public Works	Section	Water and Sewer		
Title	Water Turn On Certificates	Policy Number	06-01-10	Authority	Council
Approval Date	18 Dec 95	Effective Date	18 Dec 95	Revision Date	

PURPOSE

To ensure curb stop ties are properly recorded to ensure damaged curb stops can be identified prior to new building occupancy.

POLICY STATEMENT

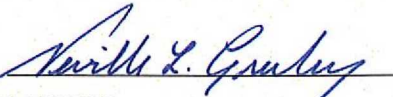

When the water and sewer certificate is issued by the Building Inspector, he will take a measurement from the two corners of the building in question and tie back to the curb stop. If there is any damage to the curb stop, it should be noted on the water and sewer certificate for the information of the Water and Sewer Superintendent.

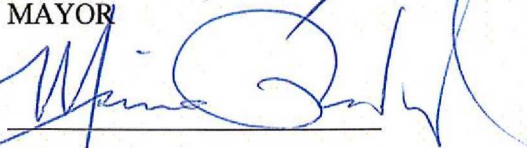

Then, in the continuation of our present policy, at the occupancy stage, the copy of the occupancy permit will be given to the Water and Sewer Division for any action they should wish to take. As well, if any damage is noted to the curb stop at that time, it should be noted on the copy for water and sewer.

REFERENCE

Approved: December 18, 1995

IN WITNESS WHEREOF, this policy is sealed with the Common Seal of the City of Corner Brook.
