### ***Purpose:***

To protect and ensure the safety and good health of all existing trees while planting additional trees as an integral aspect of the City's planning and maintenance procedures.

### ***Policy Statement:***

The City of Corner Brook recognizes that all trees are an economic and environmental asset and contribute to the well being of the City. To this end, the City of Corner Brook will, subject to funding approval and in accordance with the Tree Planting Policy, conduct the following on City property.

1. Tree inventory
2. Tree risk assessment

Information gained as a result of these activities will form the basis of present and future management decisions related to the protection of our Urban Forest.
