ARTICLE 1 - GENERAL PURPOSE OF THE AGREEMENT

1.01 General Purpose

WHEREAS, it is the desire of both parties to this Agreement to ensure an efficient operation of the Centre, to settle conditions of employment between the Employer and the Union for the Centre, to promote co-operation and understanding between the Employer and the employees, to recognize the mutual value of joint discussions and negotiations in all matters pertaining to working conditions, hours of work and scale of wages, to ensure efficiency in operations, and to promote the morale, well being, safety and security of all the employees in the bargaining unit of the Union.

NOW THEREFORE, the parties hereto agree as follows:

ARTICLE 2 - RECOGNITION AND INTERPRETATION

2.01 Recognition of the Union

The Employer recognizes the Union as the exclusive bargaining agent for the full-time, contractual and casual employees of the Employer at the Centre, save and except General Manager, Operations Manager, Accounting & Duty Officer, Non-Working Supervisors, Office Assistant, Special Events Coordinator, Ticket Sellers, Ushers, Security Staff, and those above the rank of Non-Working Supervisors.

2.02 Verbal or Written Agreement with Employees

No employee shall be required or permitted to make verbal or written agreement with his/her employer which may conflict with the terms of the Agreement.

2.03 Interpretation of Full Time Employee

A full-time employee means a person who is permanently employed by the Employer and works a regular weekly schedule. Full Time Employees are covered by this collective agreement in its entirety.

2.04 Interpretation of Contractual Employee

A contractual employee means a person who, while working at the Centre, works for a specified length of time as outlined in the letter of employment. Contractual employees shall be covered by this collective agreement, except Article 27, on a pro rata basis. Contractual employees shall be included in the Group Benefit Plan in accordance with the requirements of the Plan.

2.05 Interpretation of Casual Employee

- (a) A Casual employee is a person who is called-in for occasional shifts. Such call-in shifts shall be distributed by seniority and qualifications of the classification required. Casual employees shall be covered by this collective agreement except for the following Articles and clauses: 7, 8.01, 8.02, 8.05, 8.06, 9, 14, 17, 18, 19, 20.01, 20.03, 20.04, 21, 24.03, 24.07, 26 and 27.
- (b) A casual employee shall lose his/her seniority and drop to the bottom of the list for recall if:
 - (i) he/she refuses recall without just cause on three (3) consecutive occasions in a six (6) month period, or
 - (ii) he/she refuses all calls for a continuous period of two (2) months.

The new seniority date shall be effective the next day worked. The preceding in no way limits the employer's ability to terminate a casual employee for just cause.

- (c) The Employer will provide part-time and casual employees with coveralls and gloves as required. Casual employees who normally relieve Facility Technicians and/or Power Engineers shall also be covered by clauses 17.03, 17.05, 17.16, 17.17, 19.01, 19.03, and 24.03.

- (c) discharge, suspend, demote, or discipline employees for just cause;
- (d) develop, publish, maintain and enforce rules and regulations to be observed by employees;

All managements rights shall be exercised in a manner consistent with the terms of this Agreement.

The direction and supervision of the workforce shall, at all times, be the sole responsibility and authority of the Employer.

3.02 Employer Rights Subject to Grievance

The exercise of such rights by the Employer shall be subject to the right of the employee or Union to lodge a grievance in the manner and to the extent provided herein.

ARTICLE 4 - DISCRIMINATION

4.02 Sexual and Personal Harassment

The Employer and the Union consider sexual and personal harassment to be reprehensible and are committed to maintaining an environment where all activities and relations occur on the basis of mutual respect and dignity. If any harassment of a bargaining unit member has taken place, the employer shall take appropriate action to ensure that the harassment ceases. The victim shall be protected from repercussions which may result from the complaint.

All future employees coming within the scope of the bargaining unit shall, as a condition of continued employment, become members in good standing in the Union on the day of hiring with the Employer.

5.02 Employer will Acquaint New Employees

5.03 Checkoff Payments

Each employee shall, on the day they are hired, sign a dues deduction authorization card (supplied by the Union) and the Employer agrees to deduct from every employee any dues, initiation fees, or assessments levied in accordance with the Union by laws, and owing by them to the Union as notified to the Employer by the Union in writing.

5.04 Deductions

Deductions will be made from the regular weekly earnings paid in the month and shall be forwarded to the Secretary-Treasurer of the Union post-marked not later than the 15th day of each month following in respect of which deductions have been made, accompanied by a list of all employees from whose wages the deductions have been made. The Employer shall forward with each dues remittance the information contained in the form attached as Appendix □B□.

ARTICLE 6 – CORRESPONDENCE

ARTICLE 7 - LABOUR/MANAGEMENT AND BARGAINING COMMITTEE MEETINGS

7.01 Establishment of Labour Management Committee

For the efficiency of the service, it is agreed by both parties to this Agreement that a Labour/Management Committee be set up. 7.02 Representation

The said Committee shall consist of two members representing the Employer (one of whom shall be the General Manager of the Centre) and two members representing the employees of the Centre, and the Committee shall be known as the Labour/Management Committee.

7.03 Function of Committee

Suggestions concerning the more efficient use of Centre staff, materials and equipment may be given by either side at any time and if received not less than seven days before a Labour/Management Committee meeting, or as mutually agreed, shall be discussed at such meeting.

8.05 Loss of Seniority

An employee shall not lose seniority rights if he/she is absent from work because of sickness, accident, or leave of absence approved by the Employer. However, he/she shall lose seniority in the event that:

- (a) he/she is discharged for just cause and is not reinstated;
- (b) he/she resigns in writing;
- (c) he/she is absent from work in excess of five working days without sufficient cause, or without notifying the Employer, unless such notice was not reasonably possible;

It shall be the responsibility of the employee to keep the Employer informed of his/her current address and telephone number;

8.06 Transfers and Seniority Outside Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without his/her consent.

ARTICLE 9 – LAY-OFF AND RECALL

9.01 Definition of Layoff

A lay-off shall be defined as a reduction in the work force or a reduction in the regular hours of work as defined in this agreement.

9.02 Lay-Off and Recall

The Employer agrees that in the event of a lay-off, employees shall be laid off in the reverse order of their seniority provided those retained have the necessary ability and qualifications to perform the work required. Where it is necessary to recall employees following layoff, employees shall be recalled in the reverse order in which they were laid off, provided they have the necessary ability and qualifications to perform the work required. Such employee shall be paid at the appropriate rate for that classification. The Employer's assessment of ability shall not be done in an arbitrary or discriminatory manner.

An employee about to be laid-off may bump any employee with less seniority, providing the employee exercising the right notifies the Employer of his/her intention to bump within five (5) days of receiving the lay-off notice and is qualified to perform the work of the employee with less seniority.

9.03 Emergency Recall

The Employer reserves the right, in an emergency, to recall any employee laid off who is available for required work without regard to seniority and without compensation to another employee.

9.04 Notice of Lay-Off – Period of Notice

The Employer will provide notice of layoff as follows:

Employees subject to lay-off will not be required to take accrued vacation prior to the scheduled lay-off.

ARTICLE 10 – PROMOTION & STAFF CHANGES

10.01 Job Positions

When a vacancy occurs or a new position is created inside the bargaining unit, the Employer shall notify the Union in writing and post notice of the position on bulletin boards at the Centre for a minimum of one week so that all members will know about the vacancy or new position.

10.02 Information in Posting

Such notice shall contain the following information: nature of position, qualifications, required knowledge and education, skills, shifts, wage or salary rate or range. Such qualifications may not be established in an arbitrary or discriminatory manner.

10.03 Promotions and Transfers

Promotions and transfers shall be made of the employee having the required skill, ability and qualifications in the assessment of the Employer. Where skill and ability are relatively equal, seniority shall govern. The Employer's assessment of skill, ability and qualifications shall not be done in an arbitrary or discriminatory manner.

10.04 Trial Period

The successful applicant shall be placed on trial period for a period of one month. Conditional on satisfactory service, the employee shall be declared successful after the period of one month. In the event the successful applicant proves unsatisfactory in the position during the trial period, or if the employee is unable to perform the duties of the new job classification, he/she shall be returned to his/her former position, wage or salary rate, without loss of seniority. Any other employee promoted or transferred because of the rearrangement of positions shall also be returned to his/her former position, wage or salary rate, without loss of seniority.

10.05 Promotion Requiring Higher Certification

In cases of promotion requiring higher certification, the Employer will give consideration to employees who do not hold the required certificate, but are writing for such certificate prior to filling a vacancy. Such employees will be given an opportunity to qualify within a reasonable length of time and to revert to his/her former position if the required certificate is not obtained within such time.

The Union shall be notified of all appointments, hirings, lay-offs and terminations of employment within the Bargaining Unit.

10.07 Job Descriptions

The Employer will establish job descriptions for positions at the Centre within the unit and where an employee deems the description to be incomplete, he/she may refer the issue to the General Manager for review and amendment, if necessary. The Employer will advise the Union of changes to job descriptions and will meet to discuss such changes at the request of the Union.

ARTICLE 11 – WARNINGS & ADVERSE REPORTS

11.01 Warnings and Suspensions

Whenever management decides to discipline an employee in a manner indicating that dismissal may follow for any further infraction, or may follow if such employee fails to bring his/her work up to a required standard by a given date, the Employer shall within five days thereafter give written particulars of such discipline to the employee involved, with a copy to the Union.

11.02 Disciplinary Record

Any reprimand, warning or adverse report given in writing and becoming part of an employee's file shall be removed from the employees file and destroyed after eighteen (18) months have elapsed, provided another warning or reprimand has not been given within that period. It shall be the responsibility of the employee to see that any such documents are removed. This time limit will have no application where the suspension or letter of reprimand is issued in respect of a proven complaint or incident of harassment against the employee.

11.03 Adverse Report

An employee shall be notified in writing of any expression of dissatisfaction concerning his/her work performance within 30 working days of the event of the complaint. This notice shall include particulars of the work performance which led to such dissatisfaction. If this procedure is not followed, such expression of dissatisfaction shall not become a part of his/her record for use against him/her at any time. The employee's reply within 45 days, to such complaint, accusation or expression of dissatisfaction shall become part of his/her record.

ARTICLE 12 - GRIEVANCE PROCEDURE

12.01 Recognition of Union Stewards Committee

The Employer acknowledges the right of the Union to appoint or otherwise select a Union Stewards Committee consisting of three members who shall be employees of the Centre. The names of such committee members shall be communicated to the Employer within seven days of appointment. The number of Stewards may be increased or decreased by mutual consent.

12.02 Permission to Leave Work

The Union recognizes that each Steward is employed full time by the Employer and that he/she will not leave his/her work during working hours except to perform his/her duties under the grievance procedure. Therefore, no Steward shall leave his/her work without first obtaining the permission of his/her immediate supervisor. Permission shall not be unreasonably withheld for time off, without loss of pay.

12.03 Settling of Grievance

Should a dispute arise between the Employer and any employee(s) regarding the interpretation, meaning, operation or application of this Agreement, including any question as to whether a matter is arbitrable, or where an allegation is made that this Agreement has been violated, an earnest effort shall be made to settle the dispute in the following manner:

Step 1 - The aggrieved employee(s) shall, within four days of the occurrence of the event protested, submit the grievance in writing to the Shop Steward.

Step 2 - If the Shop Steward considers the grievance to be justified, the employee(s) concerned and the Shop Steward shall within four days following receipt of such grievance present the

written Grievance to and seek to settle the dispute with the General Manager of the Centre. The General Manager shall render his/her decision in writing within five days after receipt of such notice.

Step 3 - Failing a satisfactory settlement being reached in Step 2, the Union or the Employer may within 15 days serve notice on the other of their intention to submit the matter to arbitration.

12.04 General Grievances

Where a dispute involving a question of general application or interpretation occurs, the General Manager and the Union may agree to by-pass all or any of Steps 1 and 2 of the grievance procedure.

12.05 Replies in Writing

Grievances and replies to grievances shall be in writing at all stages.

12.06 Grievances Settled Satisfactorily

Grievances settled satisfactorily within the time allowed shall date from the time that the grievance was filed.

12.07 Time Limits

The time limits fixed under this Article may only be varied by consent of both parties to this Agreement in writing.

12.08 Witness

Any cost involved in producing any witnesses shall be at the expense of the party calling the witness, or witnesses.

12.09 Discharge Grievances

Any grievance involving suspension or discharge of an employee shall be referred directly to Step 3 of the grievance procedure.

12.10 Definition of Days

The number of days referred to in Steps 1, 2 and 3 of the grievance procedure are to be read as excluding Saturday, Sunday and Statutory Holidays.

ARTICLE 13 - ARBITRATION

13.01 Sole Arbitrator

All references to arbitration shall be to a single arbitrator. No matter may be submitted to an arbitrator unless settlement thereof has been attempted through the grievance procedure set forth in Article 12.

The Employer and Union shall endeavour to agree on an arbitrator within 30 calendar days following the notice of arbitration given by one or the other of the parties.

Should the parties fail to agree on an arbitrator, such appointment may be made by the Minister of Labour for the Province of Newfoundland and Labrador

The decision of the arbitrator shall be given within 30 days following his appointment and shall be final and binding on both parties.

The arbitrator shall have authority to make such order as he/she considers fair and reasonable in the circumstances, including an order to reinstate any employee who has been unjustly dismissed, or to modify any disciplinary action taken by the Employer, provided that the arbitrator shall not have authority to make any decision inconsistent with the stipulation of this Agreement or to delete, alter, or modify any part thereof.

Where the parties mutually agree, an arbitration board comprised of a representative of each of the Employer and the Union and a third party as chair may be appointed to hear an arbitration. The parties will pay one half of the cost of the chair and the expenses of the arbitration, except each party will pay the costs of the representative appointed by it to the board.

13.02 Expenses

Each party shall pay:

(a) one-half of the fees and expenses of the Arbitrator; and

(b) the cost of any witness that each calls or causes to attend the hearing, provided however where an employee is at work but is required to leave work and testify at an arbitration hearing he/she shall suffer no loss of pay or benefits.

13.03 Amending of Time Limits

The time limits fixed for arbitration procedure may be varied by the consent of the parties to this Agreement.

13.04 **Assistance of Employees and Access to the Centre**

At any stage of the grievance or arbitration procedure the parties may have the assistance of the employee(s) concerned as witnesses and any other witnesses and all reasonable arrangements will be made to permit the conferring parties or arbitrator(s) to have access to any part of the Centre's premises to view any working conditions which may be relevant to the settlement of the grievance.

ARTICLE 14 - SICK LEAVE PROVISIONS

14.01 **Paid Sick Leave Defined**

Paid sick leave means the period of time an employee is absent from work with full pay **while absent** by virtue of being sick, disabled, or attending an examination or treatment by a physician or dentist, or because of an accident for which compensation is not payable under the Workers' Compensation Act.

Employees with sufficient accumulation of unused paid sick leave hours shall be entitled to receive sick leave pay for the first hour of absence due to illness or injury and for each consecutive hour of absence thereafter.

Employees with no accumulation of unused paid sick leave hours shall not be entitled to any paid sick leave.

Except in exceptional circumstances in the event that the employee is required to travel more than 400 km outside the City for medical purposes he/she shall be entitled to avail of accumulated paid sick leave hours as follows:

Existing full time employees as of the date of signing (identified in the letter of understanding attached to this agreement) who normally work a twelve hour day shall be entitled to a maximum of 12 hours of paid sick leave for the day of the medical appointment plus an additional 12 hours of paid sick leave for travel purposes where the employee has available sick time and provides a certificate of attendance from the medical practitioner.

Employees not identified in the letter of understanding, but who gain full time status after the date of signing this agreement shall be entitled to a maximum of 8 hours of paid sick leave for the day of the medical appointment plus an additional 8 hours of paid sick leave for travel purposes where the employee has available sick time and provides a certificate of attendance from the medical practitioner.

14.02 Accumulation of Sick Leave

All Full-time employees shall be entitled to accumulative paid sick leave per full month of service as follows:

Existing full time employees as of the date of signing (identified in the letter of understanding attached to this agreement) shall be entitled to 12 hours of paid sick leave for each full month of service.

Employees not identified in the letter of understanding, but who gain full time status after the date of signing this agreement shall be entitled to of 8 hours of paid sick leave for each full month of service.

Existing full time employees as of the date of signing (identified in the letter of understanding attached to this agreement) may accumulate unused paid sick time hours for future use to a maximum accumulation of 1200 hours.

Employees not identified in the letter of understanding, but who gain full time status after the date of signing this agreement may accumulate unused paid sick time hours for future use to a maximum accumulation of 800 hours.

14.03 Deductions from Sick Leave

A deduction shall be made from accumulated paid sick leave hours for all normal working hours (exclusive of holidays) that the employee is absent from work due sickness or injury. An employee absent for an hour or less to attend a medical appointment will not be deducted an hour of sick leave provided they return to work prior to the end of their shift. Any employee away from work for more than an hour will have the entire duration of the absence deducted from their sick bank.

14.04 **Proof of Illness**

After three (3) consecutive days of absence or 4 cumulative days of absence in any twelve (12) month period where no proof is required to justify the absences an employee must thereafter produce a Physicians Report (available for printing on line) as proof of incapacity for all claims of the employee that the employee is unavailable to report to work or remain at work by reason of being sick, disabled, or attending an examination or treatment by a physician or dentist, or because of an accident for which compensation is not payable under the Workers' Compensation Act. The information form required may vary depending upon the frequency or duration of the unavailability for work in order to comply with the duty of accommodation.

Physician's Report

Further to the application of clause 14.03 (Proof of Illness), it is understood that any sick days used by the employee prior to the official date of signing of the 2013 to 2017 collective agreement will not be counted towards the number of days required in clause 14.03 for the employee to provide the medical information.

With respect to which medical form is required, the City will implement a sick leave policy that is consistent with the terms of clause 14.03 which will clarify when a physician's report #1 (basic) (i.e. name of the patient, date and time of medical appointment/visit, duration of absence from work, etc.) is required and/or when a physician's report #2 (detailed) (i.e. include restrictions/limitations, modified hours, etc.) is required. While remaining in compliance with clause 14.03, the thought is that for absences of five (5) consecutive days or less, the physician's report #1 would be sufficient, and provided that a Doctor's note included the same information, the Doctor's note would be acceptable.

For absences of more than five (5) consecutive days, the physician's report #2 (detailed) would be required. In situations where the physician's report #2 is required, the City will reimburse the employee to a maximum of fifty dollars (\$50.00) towards the cost of having the report completed.

- 14.05 Sick leave shall be granted for any illness in excess of four (4) working days which occurs during annual vacation, upon production of a medical certificate. Such leave must be applied for, and shall be granted by the General Manager. Approval, when granted, will apply to the total period of such illness.

- 14.06 An employee shall have the option of being attended by a doctor of the employee's choice, and under no circumstances will an employee be penalized in any way by the Employer for exercising the employee's option of being attended by the employee's personal physician.

14.07 **Illness in the Family**

Where no one other than the employee can provide for the needs, during illness, of his/her spouse, and/or child or his/her mother and father, when residing in the same household of the employee, the employee shall be entitled after notifying his/her superior to use the lesser of 24 hours or the equivalent of two day's work of accumulated paid sick leave per illness for this purpose. The employee may be required to present proof of illness of the family member concerned to the employer. Such sick leave used shall be deducted from the employees bank of accumulated paid sick leave.

14.08 **Notification to Employer by Employee**

If an employee is unable to report for work, a minimum of **one** hour's notice before the beginning of any shift starting between 12:00 AM and 7:00 AM, and a minimum of two hours' notice before any other shift must be given to the Supervisor. Failure to provide the required notice will result in loss of pay equal to the lack of notice given.

14.09 **Medical Appointments**

Employees required to attend a medical appointment during work hours must give the Supervisor a minimum 24 hours of notice that he/she will not be available for work due to the appointment. The notice required may be waived for situations where the specialist or GP changes an appointment which the Employee has already provided notice of to the Employer. Upon return to work, the employee must provide suitable evidence verifying the appointment. Failure to provide the required notice to the supervisor or failure to provide the suitable evidence upon return to work will result in loss of pay for the time absent. Any employee having a scheduled medical appointment that requires that employee to not be available for work for any period shall be deducted an equal number of paid sick leave hours to cover the period that the employee was not available for work. The City recognizes that there may be extenuating circumstances where an appointment is changed prior to it being disclosed to the City as the foundation for time away from work in which event the employee may be excused from failure to give notice. It is best practice however for the employee to present an envelope containing notice of an appointment to the supervisor addressed to Human Resources as soon as the original appointment is given.

ARTICLE 15 - WORKERS' COMPENSATION

15.01 Worker's Compensation - Continuation of Pay

In the event of an employee sustaining an accident on the job and deriving workers' compensation therefore, the City will loan the employee a sufficient amount of money to insure that the employee affected will continue to receive a sum equal to what he would receive from the Workers' Compensation Commission. The loan will be interest free until the Workers' Compensation intake officer makes a determination with respect to the claim. Such loan payments will commence immediately and will terminate with the determination of the officer. In the event of acceptance of the claim, the employee will insure that the Workers' Compensation funds in respect of the processing period are directed first to the City in repayment of the total loan extended to the individual. In the event the claim is denied, the loan remains repayable by the employee upon such terms as may be privately arranged between him/her and the City, but if no suitable arrangements are made for repayment of the loan, then the City may deduct from wages or monies owing to the City by the employee, such sums as are necessary to ensure repayment within 60 calendar days. If there are insufficient funds in the wages or monies owing, the City may pursue the recovery of the remaining amount. Workers' Compensation cheques issued by the Workers' Compensation Commission for compensation payment must be submitted to the Payroll Supervisor until the loan is repaid

15.02 Early & Safe Return to Work

The Employer and the Union agree to establish the Joint Early and Safe Return to Work Committee, which will develop and maintain an Early and Safe Return to Work Program in compliance with the Workplace Health and Safety Compensation Commission guidelines.

The Joint Early and Safe Return to Work Committee shall be comprised of two (2) representatives of the Employer and two (2) representatives of the Union.

15.03 Accumulation of Benefits

While on workers' compensation, an employee shall continue to accumulate vacation and paid holidays for one continuous year at the same rate as if not injured.

ARTICLE 16 - DISCHARGE CASES

16.01 Dismissal/Suspension

An employee after the completion of the probationary period may be dismissed for just and reasonable cause upon the authority of the General Manager or designate. Other persons in authority may suspend an employee but shall immediately report such action to the General Manager or designate. Such employee and the Union shall be advised promptly in writing by the General Manager or designate of the reason for such dismissal.

16.02 Hearing

An employee considered by the Union to be wrongfully discharged or suspended shall be entitled to a hearing under this Agreement. Steps 1 and 2 of the Grievance Procedure may be omitted in such case.

16.03 Reinstatement and Compensation
