This project will consist of, but may not be limited to, the upgrading of the existing water and sewer system located on Dunbar Avenue Ext. in the City of Corner Brook. Upgrading of the approximately 54 meters of water and sewer system will include for the removal and replacement of the existing water and sewer system, three (3) residential services, a precast manhole, trench excavation and backfill in addition to the removal and replacement of asphalt pavement.

A Bid Security of 10% will be required.

The Owner does not bind itself to accept the lowest of any tender for the project.
