| (i) | Minimum Building Line Setback | 8 metres |
| (ii) | Minimum Side yard Width | 2 and 5 metres |
| (iii) | Minimum Rear yard Depth | 12 metres |
| (iv) | Maximum Height | 15 metres |

2. Advertisements Relating to Onsite Uses

The conditions which shall apply to the erection or display of advertisements on any lot or site occupied by a use permitted or existing as a legal non-conforming use in this use zone shall be as follows:

- (a) The size, shape, illumination and material construction of the advertisement shall meet the requirements of the Authority, having regard to the safety and

convenience of users of the adjacent streets and sidewalk and the general amenities of the surrounding areas.

- (b) Building advertisements shall not exceed eight (8) percent of the building facade area. This includes name/occupant of the building plus additional advertisements that may be on the lot and/or building, however, excludes a temporary advertisement.
- (c) Onsite advertisement is not to exceed seven (7) square metres in area. This seven (7) square metres is to be part of the eight (8) percent as described in Section (b) above.
- (d) Notwithstanding (b) and (c) above;

Advertisement on any lot may be permitted up to 3 square metres in area regardless of building facade area.

- (e) Notwithstanding (b) and (c) and (d) above;

The Authority reserves the right to permit an on-site advertisement to a maximum of 12 square metres, where, in the opinion of the Authority, the size of the sign is appropriate to the use and size of the development and will not detract from the site or present a nuisance, by its size illumination, to the adjacent properties. The Authority reserves the right to give public notice when considering the advertisement.

(22 June 2017)

3. Advertisement Relating to Offsite Uses / Third Party Advertisements

The conditions to be applied to the erection or display of Third Party advertisements on any site, relating to a use permitted in this or another zone or not relating to a specific land use, shall be as follows:

- (a) The location, siting and illumination of each advertisement shall be to the satisfaction of the Authority, having regard to the grade and alignment of

streets, the location of street junctions, the location of nearby buildings and the preservation of the amenities of the surrounding area.

- (b) Each advertisement shall not exceed three (3) square metres in area, to a maximum of eight (8) percent of the building facade area for on and offsite advertisements. *(22 June 2017)*

4. Temporary Advertisements

Temporary advertisements located in this Zone shall be issued under the following conditions:

- (a) The advertisement is not to exceed three (3) months in operation, and is to be removed for a minimum of six (6) months before the advertisement can be relocated on the same site. (Only one (1) advertisement is to be permitted per site).
- (b) The advertisement is not to pose a nuisance and/or inconvenience to pedestrians, motorists or to any neighbouring residential units.
- (c) The advertisement is to be located within the property boundary, and each application would be assessed on its own merits based on its specific site conditions. Temporary advertisement shall be located a minimum distance of fifty (50) feet from any street intersection, and is to be kept off public right-of-ways.
- (d) The advertisement is not to exceed a maximum of three (3) square metres in area.

5. Services

Industrial development shall not be permitted in this zone unless adequate services and fire fighting capability designed to meet the needs of the particular industrial uses permitted, are available.

6. Hazardous Industry

The uses permitted in this class are limited to the bulk storage of flammable and hazardous liquids and substances and the total volume of storage on each lot shall not exceed 341,000 litres or 90,000 USWG.

- (a) The siting of such hazardous industrial uses shall take place in such a manner that the site conditions meet all municipal, provincial, and federal regulations with regard to site boundary distances and adequate separations from other industrial uses.
- (b) Separation distances shall be appropriate to maintain public safety, fire safety and landslope separation for the protection of the amenity of surrounding uses.
- (c) The use does not abut or is sufficiently far removed from a residential neighbourhood, public assembly use, community service use or a street where an alternative route is not available.
- (d) The use may only be located where an adequate municipal water supply is available or where an alternative adequate water volume and water pressure can be obtained according to all regulating agencies.
- (e) The authority may also impose other conditions as deemed necessary from an environmental, occupational health and safety, fire and life safety and aesthetic point-of-view.

7. General Industry Class

Only general garages of the general industry class shall be permitted in this zone.

8. Screening and Outdoor Storage

Where land designated industrial abuts or is close to a residential land use, then the owner of such industrial site shall provide an adequate buffer strip between any new industrial building or exterior industrial activity and such residential area. The buffer shall include the provision of such natural or structural barrier as may be required and shall be maintained by the owner or occupier to the satisfaction of the Council.

The outdoor storage of goods, materials or equipment shall be conducted as neatly and orderly as possible giving consideration to the overall site appearance and visual or other impact upon adjoining industrial uses or nearby residential or other areas. Consideration will also be given as to the storage of materials and equipment with regard to the safety of authorized personnel and general public where applicable. Outdoor storage is prohibited in the building line setback.

9. General Assembly*(13 May 2016)*

Uses in this classification shall be limited to gymnasias, bowling alleys and other similar indoor recreational/fitness facilities.

10. Accessory Buildings

Accessory buildings in this zone shall conform to the requirements of Regulation 61, Accessory Commercial and Industrial Buildings, in Part II of these Development Regulations.

11. Discretionary Use Classes

The discretionary use classes listed in this table may be permitted at the discretion of the Authority provided that they are complementary to uses within the permitted use classes or that their development will not inhibit or prejudice the existence or the development of such uses.
