| a) | Minimum building line setback | 10 metres |
| b) | Minimum side yard width | 2 & 5 metres |
| c) | Minimum rear yard depth | 12 metres |
| d) | Maximum height | 15 metres |

2. Advertisements Relating to Onsite Uses

The conditions which shall apply to the erection or display of advertisements on any lot or site occupied by a use permitted or existing as a legal non-conforming use in this use zone shall be as follows:

- (a) The size, shape, illumination and material construction of the advertisement shall meet the requirements of the Authority, having regard to the safety and convenience of users of the adjacent streets and sidewalk and the general

amenities of the surrounding areas.

- (b) Building advertisements shall not exceed eight (8) percent of the building facade area. This includes name/occupant of the building plus additional advertisements that may be on the lot and/or building, however, excludes a temporary advertisement.
- (c) Onsite advertisement is not to exceed seven (7) square metres in area. This seven (7) square metres is to be part of the eight (8) percent as described in Section (b) above.
- (d) Notwithstanding (b) and (c) above;

Advertisement on any lot may be permitted up to 3 square metres in area regardless of building facade area.

(22 June 2017)

3. Advertisement Relating to Offsite Uses / Third Party Advertisements

The conditions to be applied to the erection or display of Third Party advertisements on any site, relating to a use permitted in this or another zone or not relating to a specific land use, shall be as follows:

- (a) The location, siting and illumination of each advertisement shall be to the satisfaction of the Authority, having regard to the grade and alignment of streets, the location of street junctions, the location of nearby buildings and the preservation of the amenities of the surrounding area.
- (b) Each advertisement shall not exceed three (3) square metres in area, to a maximum of eight (8) percent of the building facade area for on and offsite advertisements.

(22 June 2017)

4. Temporary Advertisements

Temporary advertisements located in this Zone shall be issued under the following conditions:

- (a) The advertisement is not to exceed three (3) months in operation, and is to be removed for a minimum of six (6) months before the advertisement can be relocated on the same site. (Only one (1) advertisement is to be permitted per site).
- (b) The advertisement is not to pose a nuisance and/or inconvenience to pedestrians, motorists or to any neighbouring residential units.
- (c) The advertisement is to be located within the property boundary, and each application would be assessed on its own merits based on its specific site conditions. Temporary advertisement shall be located a minimum distance of fifty (50) feet from any street intersection, and is to be kept off public right-of-ways.
- (d) The advertisement is not to exceed a maximum of three (3) square metres in area.

5. Penal and Correctional Detention

Other than jails with detention quarters, which is subject to the requirements for Discretionary Use, all other uses in this use classification shall also be subject to a Land Use Assessment Report which will address any matters which the Authority considers material and relevant to the application, including, but not limited to: provision for water, sanitary/storm sewer, and fire protection services; street access, exterior physical appearance of the facility; proximity to residential and other land uses; potential impacts upon nearby residential or other land uses; parking and traffic; public safety and convenience; and its effect on the overall development of the area. Furthermore, an application for secure detention facilities will be subject to a public consultation process, appropriate to the nature and scale of the development.

6. Accessory Buildings

Accessory buildings in this zone shall conform to the requirements of Regulation 60,

Accessory Buildings - General, in Part II of these Development Regulations.

7. Discretionary Use Classes

The discretionary use classes listed in this table may be permitted at the discretion of the Authority provided that they are complementary to uses within the permitted use classes or that their development will not inhibit or prejudice the existence or the development of such uses.
