**Nominees for Citizen of the Year and Youth Citizen of the Year must be residents of Corner Brook.**

### **Business Excellence Awards**

- Small Business
- Medium Business
- Large Business

Three businesses will be recognized with the award for Business Excellence in 2018. Nominated businesses will be categorized according to number of employees; 0-10, 10-49 and 50 plus. Each business must demonstrate excellence in business operations in a number of areas such as but not limited to:

- Production
- Sales and Marketing
- Market Expansion and Exports
- Quality Control
- Client Services
- Human Resources
- Financial Management
- Environmental Practice
- Community Impact

Each business is viewed by peers as being a leader in business excellence and has demonstrated the best aspects of entrepreneurial spirit. It will also demonstrate a commitment to the community via volunteer involvement and financial support of community activities.

### **Environmental Awards**

- Community Environmental Leader
- Green Business
- Corner Brook Environmental Award

#### **Community Environmental Leader**

The Community Environmental Leader Award honors the work of an individual who has continually gone the extra mile to help steward our environment and engage in conservation. An individual who takes a stand, demonstrates leadership, takes initiative in the idea, promotion and completion of a community environmental initiative(s). Community leadership is not age dependent; the award winner will have a record of excellence in contributing to environment stewardship and serve as a positive role model within the community. Aspects that are important to take into consideration are volunteerism, consistent dedication to the environment and improving the quality of life offered within Corner Brook.

#### **Green Business**

An award for any business or group of businesses that operate in an environmentally responsible manner and/or produce a product that reduces natural resource consumption, supports local community and supports the local economy. The Green Business Award celebrates excellence in green practices, strategy and products. They seek out the most innovative, ambitious and effective initiatives by Corner Brook businesses for achieving environmental sustainability and implementing smart business practices.

#### **Corner Brook Environment Award**

This award is for an organization or educational institution that demonstrates a strong commitment to overall environmental issues within Corner Brook. Through community initiatives and efforts the winner will positively affect the environment and minimize the negative impacts within Corner Brook.
