

**CITY OF CORNER BROOK
CAREER OPPORTUNITY**

Survey Assistant I (Seasonal/Temporary)

The City of Corner Brook is presently accepting applications for the seasonal position of **Survey Assistant I** with the Department of Community, Engineering, Development and Planning (Engineering Division).

Duties: As a member of the Engineering Division, the Survey Assistant I reports to the Supervisor of Engineering, and will work in conjunction with the Survey Technician in performing survey related activities by utilizing basic surveying equipment. This position will also work closely with the Building System Operator to provide physical labour to support City Hall Staff with such matters as setting up meeting rooms for various City functions, moving/setting office furniture, and removal of snow/ice from entrance and walk ways on the City Hall property, etc.

Qualifications: Completion of high school supplemented with at least one (1) year of experience in the field of construction. Must have the ability to work in and around heavy equipment, work in all types of weather conditions, and carry out work of a physical nature in the moderate to high range in accordance with Occupational Health and Safety (OH&S) regulations. Must possess a valid Class 5 Newfoundland and Labrador driver's license.

SALARY: \$19.53 per hour

HOURS: Casual Call-in

CLASSIFICATION: C.U.P.E. LOCAL 768

CLOSING DATE: November 29, 2019 @ 12:30 p.m.

COMPETITION NO: 2019-40
