

# Tender

## Department of Municipal Affairs

### Invitation to Tender

Tenders will be received up to the date and time indicated below for the following project:

**Project#**                **2021-22 St. Mary's Brook Box Culvert Rehabilitation - Phase 2**

**Closing Date:**        September 9, 2021 at 2:00 pm Local Time

Plans and specification may be obtained from [www.MERX.com](http://www.MERX.com) and submitted through [www.MERX.com](http://www.MERX.com). Open call for bids will be opened immediately after the closing time.

**The Tender Documents shall be read in conjunction with the Department of Transportation and Infrastructure, Municipal Water, Sewer and Roads Master Construction Specifications, latest revision, as published by the Province of Newfoundland and Labrador. This publication is available on the Department's website under Municipal Infrastructure at the following link:**

[http://www. https://www.gov.nl.ca/ti/mi/mwsr/#spec](http://www.https://www.gov.nl.ca/ti/mi/mwsr/#spec)

The work generally consists of, but is not limited to, the supply and placement of rock fill and reinforced concrete slab and cut off walls, complete with subdrains for the existing concrete box culvert. The supply and placement of reinforced concrete support wall sections complete with attachment dowels, concrete top beams and the supply and placement of galvanized steel beams will also be included. The project will also include demolition and removal of the existing adjacent reinforced concrete bridge, bank stabilization, guide rail upgrading, new guide rail installation and general site cleanup.

Procurement is subject to trade agreements, if applicable.

A Bid Security of 10% will be required.

The Owner does not bind itself to accept the lowest of any tender for the project.

**HONOURABLE KRISTA LYNN HOWELL  
MINISTER OF MUNICIPAL AND PROVINCIAL AFFAIRS**
