

## REQUEST FOR PROPOSAL

### STAR Trail Design + Construction Services

The City of Corner Brook, in cooperation with the Humber-Bay of Islands Strategic Tourism for Areas and Regions (STAR) Trails Working Group, is seeking proposals from qualified firms or individuals to provide trail design and building services for an ongoing trail development project. The successful entity will work closely with the City of Corner Brook, Trails Working Group and the License holders to assess, design, and rebuild two trails in the Bay of Islands region.

The intent of the project is to establish world-class sustainable trails in the Humber-Bay of Islands region, furthering the regions offerings as a tourism destination. This project will support the vision to make the region a centre of excellence for outdoor adventure tourism of all types, enabling both visitors and local residents to experience the epic views, topography, geology, and ecology in the Humber-Bay of Island region.
