EDINBURGH AVE	HILLCREST RD	OLD HUMBER RD	PRINCESS AVE	SMITH'S RD	

Garbage and Refuse Regulations in Corner Brook

- A reduction in the maximum allowable weight per garbage bag is 22.5 kg
- The requirement to cover all garbage and recycling when placed at the curbside for collection should it not be placed into an outdoor garbage or recycling bin (i.e. mesh bags, blankets)
- WRWM has implemented a single stream recycling program where paper fiber (cardboard, paper, etc.) and plastics (plastic containers, bottles, etc.) can be placed into the same transparent blue bag for curbside collection
- Hypodermic needles **MUST** be placed in puncture proof containers prior to placing into garbage
- Broken glass must clearly be marked and packaged securely to prevent glass from protruding outside of container. Containers containing liquids or materials of fluid consistency will **NOT** be collected (paint, oil, etc.)
- Should garbage or recycling be refused, there will be a ticketed sticker placed on the bags left and residents can see the reason for refusal checked off in one of the boxes on the ticket. Should there be no ticketed sticker on garbage and/or recycling which was not picked up residents are encouraged to call the Sustainable Development Coordinator for the City of Corner Brook at (709) 637-1630

Contact Information

Wild Cove Landfill hours of operation: Monday - Saturday from 8:00am - 4:15pm

Western Regional Waste Management phone number: (709) 632-2922

For a complete list of recyclables and garbage which residents can print off and have alongside their collection schedule please visit www.wrwm.com

Should there be any further questions or concerns regarding garbage, recycling, special collection days, or clarification of a specific week in the collection calendar please contact the Sustainability Development Coordinator at (709) 637-1630
