## BACKGROUND INFORMATION:

The regulations stipulates in section 3(c) "No person shall play or operate any radio, stereophonic equipment, or other instrument or any apparatus for the production or amplification of sound either in or on private premises or in any public place in any manner which unreasonably disturbs the quiet, peace, rest, enjoyment, comfort or convenience of any person or persons on the same property on in the neighborhood or vicinity"

The City of Corner Brook is enacting a temporary exemption to carry out a street celebration between the hours of 1900, Saturday July 16th - 1230, Sunday, July 17th 2022. The street party will be held on Broadway and will start with outdoor music at 19:00 and conclude at 1230. The City of Corner Brook Noise Regulations includes time frames when noise generating activities are prohibited, a temporary exemption to these regulations will be required.

## PROPOSED RESOLUTION:

# Request for Decision (RFD)

**Subject:** ATV Street Access for a Special Event

**To:** Rodney Cumby  
**Meeting:** Regular Meeting - 23 Jun 2022  
**Department:** Protective Services  
**Staff Contact:** Todd Flynn, Director of Protective Services  
**Topic Overview:** ATV street access during Jiggs & Wheels Festival  
**Attachments:** [ATV Access 2022 Jigs and Wheels Festival](#)

## BACKGROUND INFORMATION:

The City of Corner Brook is hosting a week-long Jiggs & Wheels Festival. A theme of the festival includes a focus on the All-Terrain Vehicle access offered by the City. The festival organizers have requested that we provide full access to all City streets during the festival.

The City of Corner Brook recognizes that while it wants to provide such access for this special event, it must do so cautiously mitigating safety risks that may be posed by ATVs operating on the City streets.

## PROPOSED RESOLUTION:

**Be it RESOLVED** that pursuant to Section 201 and 202 of the City of Corner Brook Act, 1990 and Section 7 of the Recreational Vehicle Regulation 2022 and all other enabling powers, the Council of the City of Corner Brook hereby permits All-Terrain Vehicles to operate on all its City streets with exception of the following:

- 1) Any portion of the Lewin Parkway or TCH;
- 2) A portion of O'Connell Drive from the intersection of Bliss Street to the intersection of Mt. Bernard Avenue;

for the dates of July 15-24th, 2022, so to support the City's Jiggs & Wheels Festival.

## FINANCIAL IMPACT:

There may be some MEO overtime incurred to monitor the ATV access.

## RECOMMENDATION:

Staff are recommending that opening all streets could be done but because of the busyness of certain City streets, they are recommending that restrictions be put in place to not allow ATVs on the Lewin Parkway and on O'Connell Drive from the intersection of Bliss Street to the Mt. Bernard Avenue intersection. All other conditions of the Off-Road Vehicles Act and the Recreational Vehicle Regulation

2022 must continue to apply. Also, much media will need to be produced to advise ATV operators and vehicle traffic of using caution on our streets during this festival.

### **ALTERNATIVE IMPLICATIONS:**

**Options:** (What are 3 key options, what are the implications with each?)

1. Approve current recommendation to allow ATV access and support the special event;
2. Not approve and leave ATV access as permitted under the Recreational Vehicle Regulation 2022;
3. Approve with changes. Council will need to direct staff accordingly.
