The City of Corner Brook is presently accepting applications for the position of **Water & Wastewater Foreperson**.

**DUTIES:** The successful candidate will report to the Superintendent of Water and Wastewater and will be completely familiar with the entire water supply system and sewage disposal system for the City of Corner Brook. They will be required to take on the responsibility of knowing how the City's water distribution system works including underground services, regulating stations, in-take and chlorinating systems, water storage facilities and water monitoring equipment. They will become responsible for ensuring that the quality of the City's water supply is kept at the highest possible standard. Learn how the City's sewerage disposal systems works, including underground services, treatment facilities, outfall locations and various types of lift stations while being ever conscious of the environmental and safety issues involved. This position is also responsible for planning, organizing and directing the daily operation of personnel and equipment related to water and sewer projects and maintenance. The successful candidate will work in accordance with the Occupational Health and Safety Act and Regulations and sustain a strong commitment to safety, ensuring that safety is kept at the forefront and no compromises are encountered which would potentially jeopardize the safety of the workers, the equipment, or member of the public. Other related duties and responsibilities as assigned.

**QUALIFICATIONS:** Successful completion of high school supplemented with a post-secondary training course in a field that is relevant to municipal water distribution and sewerage disposal such as a Civil Engineering Technology diploma, knowledge of heavy equipment operations, a minimum of five years' experience in a supervisory role. A comparable combination of related work experience and education will be given consideration when evaluating applicants. Class 5 driver's license is a necessity.

The City of Corner Brook will provide support throughout the recruitment process to applicants with disabilities, including accommodation that considers an applicant's accessibility needs. Candidates are encouraged to discuss specific needs with the City's Human Resources division by emailing [hr@cornerbrook.com](mailto:hr@cornerbrook.com)
